HARBORLINE ELECTRIC

Warehouse 7 LED conversion proposal

Between Harborline Electric LLC and Pell & Daughters Logistics

Contract value: $64,500.00

1. Scope

Harborline Electric will replace the high-bay fixtures in Warehouse 7 with LED fixtures, add occupancy controls by aisle, and test every emergency light.

2. Schedule

Work proceeds one aisle at a time on weekends so the warehouse can keep shipping.

3. Price

The proposed price covers fixtures, controls, lifts, labor, and disposal of the old lamps.
